THANK YOU FOR SUPPORTING YOUR DOWNTOWN

Downtown Wadsworth... the Center of It All.

From its start, Wadsworth has always been a “hub” community. As early pioneers were busy clearing land and building their homes and farms, the “Center” provided goods and services to the settlement. Money was a very scarce article so most of the transactions were made using the “barter” system. The first school teacher was paid with corn and chickens. In the beginning, basic services were provided by those located in the “Center”.

Throughout its formative years, Wadsworth history is blessed with the names of men who were community leaders. Men who would have achieved greatness in any era. Moses Dean, Judge Allen Pardee and his brother John, Capt. George Lyman, I.G. Griesmer, Aaron Pardee, Harvey B. Spelman, E.J. Young, John Charles Whitlam, H. Z. Chandler and William C. Burt. . . the list goes on and on. However, throughout their time, the focus of all of them has been the importance of the “Center”. That place that is the heart of the community.

The Wadsworth Downtown is still the “Center” of the community. How it’s utilized has changed over time, but it is still the place to shop for goods and services as well as a place to gather for Events, Celebrations, Memorials and Victories. Today, **Downtown Wadsworth, Inc.** holds over ten Community Events on the square every year. We are working on a three year Strategic Plan for the Downtown. It is a vision that will assure the look, feel and the economic viability of the downtown and the community now, and well into the future.

Please take time to invest in your Downtown. Become a member, or better yet, volunteer for one or more of our several active **Downtown Wadsworth** committees. We can use your energy, your passion, your support.
